# Dedication

Pat Bettencourt began working in the Middleborough Public School system in 1994. She started out as an ESP at the Henry B. Burkland and soon traveled to the high school in 1995 as an office aide. In 2004, she was promoted to full time secretary at MHS. In addition to all of the work she has done behind the scenes, she was also involved in extracurricular activities at the school. When the Key Club advisor position opened up, Pat was excited to be involved with students. She enjoyed being a part of the school community and making a difference. Bettencourt loves being a part of the school and when asked what her favorite memory from her time at MHS was, she said it was difficult to choose just one. If she had to narrow it down, she said her favorite memories are the spirit weeks at MHS because she loves dressing up and having fun while promoting school pride. She said the energy of the school comes alive during spirit weeks and there is no better feeling. When asked about one piece

of advice she would leave the students at Middleborough with she replied, "Life is what you make it. It doesn't matter what kind of environment you live in, it's what you make of your life that will count." Mrs. Bettencourt has become an integral part of MHS history. Her dedication to the school and its students and her constant presence at the front desk will be greatly missed when she retires in July. Good luck with all of your future endeavors and enjoy your well-earned retirement!

Scott Nelson started his career at Middleborough High School as a substitute in 1980 and became a full-time science teacher in April of 1982. During his time here, he taught many different science classes, including biology, chemistry, oceanography, environmental science, zoology, and anatomy. Aside from his job in the classroom, Mr. Nelson served as the Student Council advisor until 1997, class advisor of the classes of 1986 and 1990, and the Silver M advisor. When his career started, Mr. Nelson was also the advisor of non-traditional clubs such as fishing, skiing, and football study. Mr. Nelson has been a football coach since 1981. He also coached field hockey, girl's basketball, track, ice hockey, and softball. For the past three years, he has worked as the science department chair. When asked about his favorite memory at Middleborough High School, he replied, "When I was a coach on the 1983 Super Bowl winning team, but there are many special memories". A piece of advice that Mr. Nelson would like to leave behind for students at MHS is, "Life is a marathon, not a sprint. Students need to take advantage of every opportunity that comes their way and never get discouraged." The past and present students and staff thank Mr. Nelson for his 37 years of dedication to Middleborough High School and for infusing humor into our school on a daily basis. Good luck with everything that you do in the future and enjoy your retirement!

Mike Perry officially began his career at Middleborough High School in 1984. For the past 32 years, he has served as a shop intern, a physical education teacher, a health coordinator, and the Athletic Director. Mr. Perry coached freshmen, JV, and varsity baseball, girl's varsity basketball, freshmen and JV football, cross country, and girls' and boys' varsity soccer. Mr. Perry has many favorite memories about his career at Middleborough High School, some of which include getting hired by the town that he has lived in his whole life, winning the state title for baseball in 1997, and trips to Florida with the baseball team. He has also enjoyed being able to add in health programs at the kindergarten and middle school, and becoming Middleborough High School's athletic director. Mr. Perry is responsible for successfully making the athletic

program grow by adding teams, improving facilities, and changing sports leagues. When asked to give students a piece of advice, Mr. Perry said, "You may travel all over the world throughout your life, but always remember the family, friends, teachers, and others that started you on your journey!" Good luck with everything that you do in the future and enjoy your retirement!

# A Note From...

## *Principal Paul Branagan*

Congratulations to the Class of 2017! I hope this class knows how much it means to me. You have contributed so much to the culture and climate of our school during your journey at Middleborough High School. This class has defined what it means to FinishSTRONG! From your work in the classroom, to the athletic fields, to the stage and through every activity within our school community, this class has led with conviction, determination and Sachem Pride. Throughout every memory that has been created, one thing is consistent: your love for the Orange and Black. You have embraced and fostered the meaning of being a Sachem and I could not be more honored and thankful to be your Principal. You have challenged me to be a better leader and educator, and I can't thank you enough for making a difference in the lives of so many. As you leave Middleborough High School, please know the awesome responsibility you have to the world around us. Please continue to possess the level of compassion, commitment and passion that you brought to the

hallways, classrooms, and athletic fields of the high school, and engage this same energy into something you believe in and something you are passionate about. Never stop learning. This world needs compassionate leaders like you to help make the world a better place. One of my favorite quotes that I try to live by is from President John F. Kennedy. It states, "Leadership and learning are indispensable to each other." If you link your role as a leader and nurture your appetite to never stop learning you are destined for success beyond compare. Please know, your high school will be watching you take on the world with pride. Thank you for coming to Middleborough High School and leaving it a better place than you found it. Now, continue this good work throughout your lives. Always remember, you have a home in Middleborough and I will always be there for you holding the door open. Best wishes for an incredible future. You have touched my heart, Class of 2017! I will miss you, your spirit, your energy and most importantly your commitment to our school.

## *Superintendent Brian Lynch*

Dear M.H.S. Class of 2017, Congratulations!

I would like you to know that it has been an incredible honor and privilege to have served as your Superintendent of Schools during your junior and senior years as Middleborough Public School students. As a class, you have developed as "Sachem Strong" and have distinguished yourselves as positive role models for countless current and future Middleborough High School students. You have truly become representative of what being a "Sachem" is all about. Your energy, enthusiasm, excellence, and hard work have been evident in the classrooms, on the stage, on the athletic fields and skating rink, and within your local and regional communities. Many of you will be headed off to college, technical school or the United States military, and many of you may be headed to the workforce. Whatever path you choose, I am confident that you have been well prepared with the

knowledge and skills necessary to face the next challenge in your lives. As you continue to grow, please know that you will continue to have the support of your family, friends, school system, and the larger Middleborough community. Your journey through life awaits you, and along the way you will be presented with many peaks and valleys. It is my hope that you maintain that all important belief in yourself and your abilities so that you will grow to become a better person through each of your collective experiences. In closing, and on behalf of the entire Middleborough Public School system, please accept my heartfelt best wishes to each and every one of you for a healthy, happy, and successful future. Once a Sachem, always a Sachem.

# Student Involvement

# MHS Student Council

Middleboro High School student council allows every student to be involved. As one of the largest and most dedicated councils, they have received state, regional, and national awards for excellence. Student council members work tirelessly to provide students with engaging and exciting events throughout the year.

"If you want to go fast, go alone.  
If you want to go far, go together."

Executive Board

## School Committee Representative

The Middleborough School Committee selects a student representative from the high school each year. This position updates the school committee on upcoming high school events, and also allows students to have a voice during meetings throughout the school year. This years representative is Owen McCarthy.

## Yess Club

The Youth Environmental Service Society is a group of students dedicated to helping nature. Students help recycle all the paper and bottles in the building. The group also participates in an annual Trash Fashion Show, where they create fashionable clothing out of recycled products. Thank you for all the work you do to help keep our school and our world clean.

## Key Club

Key Club is an organization that devotes time to give back to the school, community, and the world.

Sponsored by the Kwanis International Organization, the students host annual events such as Eat to Heat and Ice Cream Socials. Thank you for all the hard work you put into making our community great.

## Boys State and Girls State

An American Legion Leadership Action program known as Boys and Girls State was designed to teach qualified high school students about the structure and function of the government. This program, held at Stonehill College, helps students explore democracy to become educated participants in our nation's government. This year's representatives were Hannah McCarthy, Logan Borges and Carla Pelton.

## Student Trooper

Every year, Middleborough High School sends students, who are interested in becoming police officers or pursuing a career in law, to the Massachusetts State Police Academy. These students learn about safeguarding American freedom and rights. The students who attended this past summer were Sean Hart, Haley Brack, Joshua Bonino (not pictured), and Jared Canto (not pictured)

## HOBY

Every year a sophomore student is selected as the representative for the Hugh O'Brien Youth Leadership program. The program began in 1958 and continues to develop each year. HOBY reaches out to every public and private high school to allow students to develop their leadership skills. This year, Owen McCarthy was chosen to represent Middleborough High School at HOBY.

## Pizza Club

Pizza Club is a student-run club that is dedicated to pizza. At each meeting, the members complete taste tests of two different pizzas from restaurants in Middleborough. At the end of the meeting, they judge and vote on the best pizza. Their main objective is to find the best pizza shop in Middleborough.

## Student Advisory Council

Each year two students are elected to the Student Advisory Council (SAC). These individuals represent Middleborough High School at the Student Advisory Council where students discuss legislation that impacts all students. This year, the representatives were Courtney Chane and Hannah McCarthy.

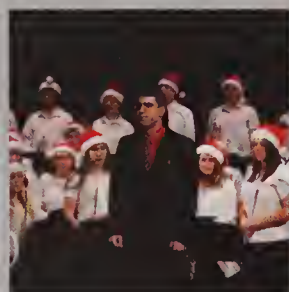

## Concert Choir & Sachem Singers

Under the direction of Mr. Kidd, both Concert Choir and Sachem Singers work hard to perfect their musical performances. Both groups sing at events such as pep rallies, seasonal caroling, concerts, and competitions. Concert choir is about perfecting singing skills, while Sachem Singers focuses more on improving skills. There is no doubt that the Concert Choir and Sachem Singers spread Sachem cheer wherever they perform.

## Band

The MHS band is conducted by Mr. Pittsley, who loves to celebrate the talent of his students. The band knows how to bring the excitement whether they are playing at pep rallies, parades, or football games. The MHS drum line is exceptionally great and a favorite among the student body.

## Orchestra

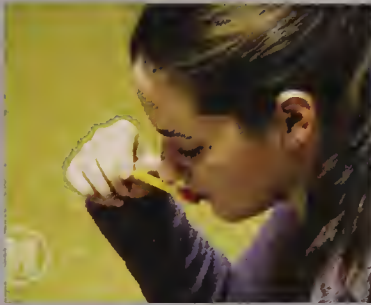

The MHS Orchestra is conducted by Mr. Pittsley who loves to challenge his musicians with difficult pieces. Members of the orchestra show off their hard work and talent at the fall and spring concert, as well as state and regional competitions.

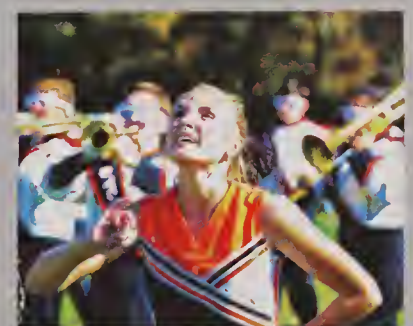

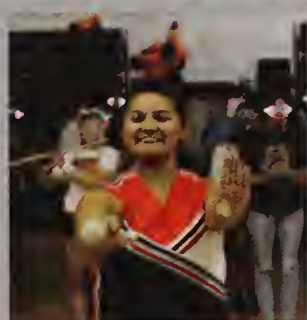

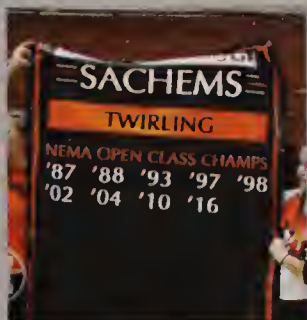

## Math Team

Math team was created for students who show proficiency in math and enjoy math outside of the classroom. During meets students collaborate with their team members to explore new topics and solve problems. The math team also travels to other schools and competes in matches across the state. Members on the team compete for the prestigious Thompson medal, which is awarded to the highest scorer at the end of the season.

## Majorette Team

The Middleborough Majorettes dedicate their hard work and time to practice difficult routines with killer moves. The majorettes twirl at pep rallies, football games, and parades. They also practice routines that they bring to competitions where they compete against other towns. This year's graduating seniors include Hailey Kosh, Mikenna Conley, Kathleen Perkins, and Alyssa Ezell.

## Speech And Theatre Workshop

Speech and Theatre Workshop (STW) provides students with the opportunity to learn about and apply real life acting techniques. The members take what they learn in the classroom and apply it on stage. STW performs three shows throughout the year: Fall Show, Festival, and That's Entertainment!

## Gender Sexuality Alliance

The Gender Sexuality Alliance (GSA) is a student-run club that focuses on equality. The GSA promotes kindness and acceptance regardless of one's sexual orientation. The GSA hosts a day of silence to spread awareness of the unjust treatment based on gender and sexual orientation.

## Anime Club

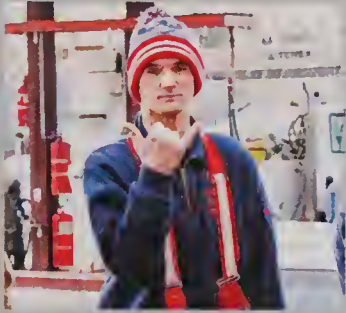

Anime club was created as a place for students to discuss their shared interest of anime. Every week the members meet to draw, watch anime movies, or talk about anime cartoons. Anime club is a great way for students to demonstrate their creativity in a style outside of the academic classroom.

## Fire Science

The fire science program is an internship opportunity for students to work alongside firefighters at the fire station. Interns are given hands on activities such as search and rescues, simulated fires, and diving rescues.

## TV Production

Television production students have the opportunity to produce, direct, film, and edit their own videos with state of the art equipment. Television production students are constantly creating content so community members throughout the district are up to date with Middleborough news.

## Police Interns

Each year, a small group of students are selected to intern for the Middleborough Police Station. By shadowing an officer, students learn how to take calls, send out emergency personnel, and even get the opportunity to sit in on a court case. The best part, however, is being able to go out on patrol with the officers. This year, the Police Interns were Logan Borges, Levi Michaelis, Sean Hart, Peter Cooke Jr., and Haley Brack (not pictured)

## School Resource Officer

Sargent Gregory Trask is the Middleborough High School resource officer. He does an amazing job at keeping our school community safe.

*W*alking into the Central Cafe is like taking a step back in time - except that most customers will recognize more than a few familiar faces. The Central is Middleboro's version of the place "where everybody knows your name."

The Central Cafe is the oldest cafe in Middleboro. The first customers to walk through the door did so in 1923. The comfortable booths wear the patina of age. The handsome mahogany bar with chestnut rail was purchased by the former owner Angelo Doscoulas' father in Boston for his son's new Middleboro establishment over 70 years ago.

The exterior of the cafe was remodeled in 1997 to create an Irish pub-style entrance that hints at the informal atmosphere of a neighborhood bar from another era. Sometimes the prices seem reminiscent of another time as well. The Central's famous cheese pizza - a long time staple of post event celebrations for local little league team members and spectators alike. The price is just \$2 all day on Monday for eat-in customers. On Tuesday and Wednesday pizza is half price for single and combination toppings.

The Central boasts the best draft beer selection in town for those who don't take the term "pizza and beer" lightly.

Bill Fuller and Mark Hannon proudly welcome you to the Central Cafe. We strive to provide excellent service, top quality food and an enjoyable atmosphere, in keeping with the tradition of our "hometown" cafe.

Thank you for your support. We look forward to seeing you.
